## REPUBLICAN PLATFORM.

The Republicans of Kentucky, in Convention assembled, make the following declaration of purposes and principles:

First—We affirm that the existing Election Law in Kentucky, enacted by a Democratic General Assembly in 1890, in violation of the spirit, letter and intent of the Constitution, is a gross and deliberate fraud, and that the only remedy is to amend the same, so as to secure to the people the right of suffrage, and to the State the right of electing its representatives to the General Assembly.

Second—We most heartily approve the Administration of Governor W. W. Taylor, and we affirm that the same has been faithful in its administration of the law, and in its protection of the rights of the people, and in its maintenance of the peace and order of the Commonwealth.

Third—We congratulate the Republicans of Kentucky that they have secured the nomination of a Republican ticket to the General Assembly, and we affirm that the same is the only ticket that can be trusted to carry out the purposes and principles of the Republican Party.

Fourth—We pledge the Republican Party of Kentucky to the execution of all such laws as may be necessary to prevent trusts, monopolies, combinations or other organizations from combining to deprive the people of their rights, or to obstruct the free exercise of the right of suffrage.

Fifth—We believe in popular education, and we affirm that the only way to secure it is by the establishment of a State Board of Education, and by the enactment of laws to secure the same.

Sixth—We affirm our adherence to the principles and policies of the National Republican Convention, and we affirm that the same is the only convention that can be trusted to carry out the purposes and principles of the Republican Party.

Seventh—We affirm our adherence to the principles and policies of the Civil Service Bureau by the President, and we affirm that the same is the only bureau that can be trusted to carry out the purposes and principles of the Republican Party.

The Chattanooga Times advises Mr. Bryan to either speak less or else get him a new speech. Mr. Bryan hasn't made that speech yet "explaining" about all those Nebraska mortgages being cancelled regardless of the rejection of free silver.

Southern manufacturers are reported to have increased 60 per cent. faster than in the corresponding quarter of last year. Many Southerners who voted for silver begin to see the error of the statement that the hum of industry could come only with free coinage.

Why should we begrudge the Democrats the pleasure and profit they anticipate from digging up the Tariff issue? For the last three years they have grown thin and worn sitting up nights with the corpse of free silver, and they now only seek a much needed recreation.

The Trust issue comes as a sort of Godsend to the cowed Tariff reformers. They can now talk about doing away with Protection as the first step toward getting rid of Trusts. Everything is first which comes to the Democratic mill, but no man knows from day to day what is the next issue to be fed in.

Poor Boston is again sorely afflicted in addition to the ex-roy motifs, the sparrows, the teredos, the big augur worms, the kissing bugs and the anti-expansion pests the canker worms have now made their appearance in countless thousands on Boston Common people walking under trees are obliged to carry umbrellas.

The Republican Times Herald, in speaking of the recent disaster to Tammany when Governor Hoar eulogized Bryan, takes occasion to comment very favorably on the ex-candidate's pleasing personality, his clear-cut eloquence, his magnetic and his general popularity still among the ignorant class—in all a compliment to an antagonist. Immediately The Omaha World-Herald, Mr. Bryan's personal organ, modestly remarks that the Republican Times Herald is announcing Mr. Bryan's popularity.

Mrs. Amanda Bridges has returned from a visit to her son, Henry Bridges, at Higginsport.

The gross earnings of the L. & N. for the second week of July were \$66,720, an increase of \$8,080 over the corresponding week last year.

D. B. Mitchell has purchased 50 acres of land near Carls, built a commodious stable, made a training track and erected many substantial improvements.

Lieutenant M. W. Stout of Nicholasville, formerly with the Fourth Kentucky Regiment, has been appointed a First Lieutenant in the Philippine expedition.

The insurance adjusters and the owners of the Ohio Valley have agreed to arbitrate after several days of discussion.

Mr. Omar Dodson has already begun clearing away the debris with a view to immediately starting the burned property hotel Saturday from Mr. George T. Hunter.

There were four carloads of Epworth League delegates from the Virginia hitched to the C. & O. train No. 10 yesterday afternoon. They were en route to Indianapolis to attend the National Convention, which is in session there this week.

The League is indebted to Mr. W. T. Berry for copies of Los Angeles (Cal.) papers containing a full account of the session of the National Educational Association. During the meeting Mr. Berry was a guest at the Hotelben Hotel.

Is your liver tired? Does it fail to do its duty? If so, don't neglect its call for help. A few doses of Herbine may save you a spell of doctoring. It cures the liver, and it cures the blood. It cures Chills and Fever. Price 50 cents. J. Jas. Wood and Son.

## THE YOUNG MEN.

What the Mayville Y. M. C. A. is Doing For Their Betterment.

The Board of Directors of the Young Men's Christian Association held a meeting Tuesday night, which was one of the most satisfactory in the history of the work held here. Reports were made by the Soliciting Committee, and while the entire amount needed for the year's expenses has not been secured it was unanimously decided to continue the work and to make it increasingly useful to the young men of Mayville. This work has come to be a permanent feature in the life of the city and is in a more satisfactory condition than it has been at any previous time.

Mr. W. G. T. Baker, the General Secretary, was granted leave of absence by the Directors, and will leave tomorrow for his home in Missouri. During his absence Mr. H. E. Gable will have charge of the work, which will be conducted as usual.

# THE BOYERS' GUIDE.

## Give Those Horses a Treat!

### THEY HAVE SERVED YOU WELL!

Dispose of that old wagon that is pulling the life out of them and buy an easy-running FLORENCE WAGON. HERE IT IS:

We claim that the Florence is the best wagon on earth because it is peculiarly built, viz: Two-year-old hickory spokes, Pennsylvania black birch hubs, tires put on cold and baxings put in hubs by hydraulic pressure, thus making each wheel true and correct; extra heavily ironed, every inch of woodwork dipped in hot linseed oil before being painted, and positively the easiest running wagon on earth. What more could be asked? Our price is lower than any one's, only \$37 for two-horse running gear, only \$47.25 for two-horse complete wagon, with lazy back spring seat, anti-spreaders, etc.

# FEUILLATIONS ENTERED THE RANKS NEW YORK RIOTS.

The Combatting Clans of Clay County Are Massing for a Terrific Battle.

FOURTH VICTIM DEAD AND BURIED.

Philpotts Coming to the Support of Their Kinmen From Distant Parts of the Country.

They Are Reported to Number 100 in Arms Ready for an Attack From the Morries, Griffins and Chadwells.

LONDON, Ky., July 20.—The situation in Clay county has assumed huge proportions, the present feud being the largest and most desperate of the mountain battles. Monday's slaughter is believed to be the beginning of a series of such battles.

News of the battle spread rapidly over Clay county, and runners were sent out to inform the friends of both sides of the killing. The Philpotts came to the support of their kinmen in numbers of 10 and 15 from distant parts of the country. Two of the horses fell dead under their riders from their overheated condition, so eager were the Philpotts to get to the scene of battle. They were reported to number 100 in arms ready for an attack from the Morries, Griffins and Chadwells, who are reported to be two miles away with 50 armed men. Excitement runs high and more killing is expected.

Aaron Morris, Harvey Griffin and Hugh Griffin, the three men whose bodies were pierced by hundreds of shots in Monday's bloody battle, Tuesday placed in one wagon and hauled to the graveyard near Manchester. It was some hours after the battle occurred until enough of the Griffin's friends could be rallied to move the dead and wounded from the battle ground.

Ed. Fisher, who fell mortally wounded by many holes through his body died Tuesday, and will be buried at the Philpott graveyard Wednesday. Robert Philpott was reported dying Tuesday night, but the last report says he is not dead. The report that Green Griffin is in jail at Harbourside is incorrect. He is at the Chad well home, where the Griffin side is assembled. He has both legs shot off and will die.

George Philpott was shot through the breast and thigh. Alex. Fisher was shot through the shoulder. Both will probably recover.

A correspondent saw the bond which Robert Philpott was signing at the time of attack. It was smeared with blood and the top was cut out with buckshot. Philpott had just been arrested for disobeying an order of summons and was making a bond for his appearance in the Clay circuit court at the October term. The bond was in the sum of \$100, signed by R. G. Philpott, and would have been signed by his uncle, George Philpott.

The Griffins made the assault on horseback. They were among the Philpotts before the latter knew they were attacked. Aaron Morris was among the onslaught by firing into Robert Philpott with a Winchester. Ed Fisher and Aaron fought a hand to hand battle with Colt revolvers, and both fell. Morris died on the spot.

## BAD FIRE IN BROOKLYN.

An Elevator and Two Stores Destroyed, Entailing a Loss of More Than a Quarter of a Million Dollars.

NEW YORK, July 20.—A fire whose origin is unknown destroyed more than a quarter of a million dollars' worth of property on the Brooklyn wharf from Wednesday night. It started in the large eight-story grain elevator of the Brooklyn Wharf and Warehouse Co., facing and abutting the Excelsior stores on Atlantic basin.

The elevator was soon totally destroyed. The fire extended to buildings Nos. 275 and 276, which are six stories high and cover an area of 150 by 125 feet. Those two buildings were completely gutted and their contents, 200,000 bushels of grain and valuable machinery, destroyed.

The stores and elevator were the property of the Brooklyn Wharf and Warehouse Co., and the grain belonged to various consignees. The loss is estimated at from \$250,000 to \$500,000, well insured.

LONDON, July 20.—Mary Ansell, aged 17, who married her sister last March by sending her a poisoned cake through the mails, was hanged at St. Albans, Hertfordshire, Wednesday. Mary Ansell killed her sister after insuring her life in her own favor.

Applicants for Commissions Who Do This Will Be Next in Line of Promotion.

EXTRA INDUCEMENTS TO RECRUITS.

Commissions Offered to Men, Otherwise Qualified, Who Will Furnish Not Less Than 40 Men.

There Have Been Several Cases of This Kind During the Past Week—Disappointed Applicants for Commissions Now Have a Chance.

WASHINGTON, July 20.—The war department is offering extra inducements to expedite the recruitment of the ten volunteer regiments. Nearly all the commissions having been filled, many of the disappointed applicants have been advised to enter the ranks, as in that way it may be possible for them to secure commissions. Gen. Corbin says that the policy of the administration will be to fill all vacancies which may occur among commissioned officers from the ranks. A number of applicants for commissions have enlisted as privates in the different regiments and have been appointed non-commissioned officers wherever possible and consequently are in the line of promotion to commissioned rank in the event of a vacancy.

Another method of securing recruits is to offer commissions to men otherwise qualified who will undertake to furnish in each case not less than 40 men who can pass muster as soldiers and will enlist for service in the Philippines. There have been several cases of this kind during the past week. A former officer of the Texas volunteer infantry recently told Gen. Corbin that he would guarantee to recruit 200 good men from Texas provided he was assured of a commission. Gen. Corbin promised him a second lieutenant if he would recruit even 40 men for the volunteer army.

The Trolley Men Join the Brooklyn Trolley Men in Their B. G. Strike.

RIOTING WAS OF A SERIOUS NATURE.

Second Avenue Wednesday Night Was Crowded With a Jeering, Howling Mob Almost Its Entire Length.

They Harried the Streets With Paving Stones, Tore Up the Street Irons, Chopped the Sticks With Wire and Spikes and Stoned the Cars.

NEW YORK, July 20.—New York trolley men joined the Brooklyn trolley men Wednesday in their big strike. The center of operations in New York city was on Second avenue. The excitement in Brooklyn centered in the vicinity of Thirty-sixth street and Fifth avenue, where early Wednesday morning dynamite was used in an attempt to blow down the elevated structure.

The rioting that took place in New York Wednesday afternoon and Wednesday night was of a serious nature, infinitely fiercer than any that has taken place yet in the borough across the river. Scores of people were severely injured in the Second Avenue Wednesday night that morning. A howling mob almost its entire length. The great tenements gave forth their workmenmen residents, who snatched up the sticks with wire and spikes and stoned the cars. They threw stones, hurled bricks and chunks of iron and vegetables of a various nature from the roofs of houses and from the windows; they barricaded the streets with paving stones, tore up the street iron, chopped up the sticks with wire and spikes and blockaded the thoroughfare.

They had many a hand to hand conflict with the 600 patrolmen that had been placed along the line. The injured exact number can not be known. Several policemen were removed to hospitals with broken bones and torn scalps. At least one soldier, or sympathizer, had his skull fractured and his boy his skull fractured. Innumerable passengers on the cars received bad wounds and it was impossible for passengers on Second avenue to go much above Fourteenth street.

It was the hope of the strikers to make a deep impression by their success in Second avenue, and so far as rioting was concerned, they and their sympathizers made it. On the other lines throughout New York the strike was not at any time prominent during the day. Wednesday night, however, the mobmen on the Eighth avenue line to the number of 100 or more organized and declared a strike. They thereupon set about to persuade their fellow-workmen to leave the cars and with sufficient force to keep them running on only an hourly schedule before midnight. Thursday, they declare, Eighth avenue will also be tied up. The officials of the Sixth avenue line made the statement Wednesday night that cars on this avenue were moving about the same as ever.

An attempt was made at 1 o'clock Thursday morning to wreck a car at Avenue car near Sands street on its way to Manhattan. A cable similar to those used to stretch electric light and telephone wires was tied across the street from post to post a foot above the pavement. The car was coming at full speed and was a short distance from Sands street when it crashed into the cable.

The fender was bent under the car, the front trucks fouled the rails, and the motorman, James Woodward, who says he is from Philadelphia, was thrown over the dashboard to the pavement and cruised about the shoulders and head.

There were no passengers in the car. Six policemen were aboard, but they escaped with a shaking up. The work is attributed to strikers.

Months' Kink in Eruption.

Boston, July 20.—There was an eruption of Mount Etna Wednesday morning. After loud subterranean noises the crater vomited forth dense columns of smoke which were followed by enormous masses of lava. A strong earthquake shock occurred here at 2:30 o'clock Wednesday morning and was followed during the ensuing 15 minutes by a number of other severe shocks.

A Drop in the Price of Flour.

CHICAGO, July 20.—The price of flour dropped 20 cents a barrel Wednesday and is now cheaper than for some time. The price to jobbers fell from \$4.20 to \$4.00, and according to the statements of dealers there is little likelihood of an upturn. The drop is said to be due to the steady decrease in the price of wheat.

## STEPS DOWN AND OUT.

Secretary Alger Tenders His Resignation, to Take Effect at the Pleasure of the President.

WASHINGTON, July 20.—Secretary of War Alger has tendered his resignation to take effect at the pleasure of the president.

Gen. Alger decided to resign at once and not wait until January 1, and finish his report. He came to this conclusion after his three days' visit to Vice President Hobart. It is said that Gen. Alger will withdraw from the cabinet at once.

The president will accept the resignation and the secretary will retire at an early day.

The transfer of Attorney General Griggs from the department of justice to the war department has been suggested by those who are figuring on Secretary Alger's successor. It is urged that the largely increased legal questions which are constantly coming before the war department as a consequence of our new possessions make it desirable that its executive officer should be a man of legal attainments and experience. In this case connection the name of Hon. Elihu Root, the well known New York lawyer, is mentioned. Gen. James H. Wilson, of Delaware, now in the volunteer establishment and governor of the province of Matanzas, Cuba, is also spoken of. Gen. Wilson was a well known soldier in the civil war, and since has been prominently identified with business enterprises.

DEATH OF THOS. M'DUGALL.

The Distinguished Attorney and Politician Takes a War at His Country Home From Overwork.

CINCINNATI, July 20.—Overwork caused the death of Hon. Thomas McDougall at 11 o'clock Tuesday night. The sad event occurred at his summer residence, at South Salem, O. McDougall's family left Cincinnati for the summer last Saturday, but the distinguished lawyer took his business with him, and was busy with his stenographer all day Tuesday. In the evening he complained of indigestion, and, leaving the table before the rest of the family, went to his room. His death occurred at 11 o'clock, p. m.

The death of Thomas McDougall closes the career of a most remarkable man, and comes as a shock to the bar and people of Cincinnati.

In politics McDougall was regarded as the representative of the administration because of his intimacy with McKinley, to whose gubernatorial campaign fund he once contributed very largely.

McDougall could have been a judge of the United States supreme court, but declined it. The only official position he had ever held was that of elder of the First Presbyterian church, of Walnut Hills, which he had been since 1877.
